Animal Cell

- Vacuole
- Lysosome
- Mitochondrion
- Smooth Endoplasmic Reticulum
- Rough Endoplasmic Reticulum
- Cell membrane
- Nucleus
- Golgi body
- Ribosomes
- Mitochondrion

Note: Colored organelles on the plant cell, but the same color.
Plant Cell

- Vacuole
- Nucleus
- Golgi body
- Ribosomes
- Rough ER
- Smooth ER
- Chloroplast
- Mitochondrion
- Cell membrane
- Cell wall
- Cytoplasm

Additional Labels: Colored, Nuclei, Colored organelles on plant and animal must be the same color. All need to be.
